

In Collaboration with

Bachelor of Business Administration (Hons) International Business

(MQA Accredited – A11166)

The Bachelor of Business Administration (Hons) International Business programme will provide opportunities to students who are interested in embarking on careers in companies with multinational environment, and to be exposed to a broad range of international related units.

The students must therefore possess the international business fundamental concepts to extend business across national and international borders successfully. Knowledge and understanding of global issues is critical and a source of competitive advantage.
